SPECIAL INSTRUCTIONS:

ALL ANIMAL SHIPMENTS must be coordinated by CMR. Animal health reports must be furnished to and approved by CMR staff prior to shipment. ▪ Shipment approval is contingent upon housing availability, rodent health status and climate-controlled shipping. ▪ University policy states that all exchanges of research materials sent from and received by the University be covered in advance by a Material Transfer Agreement (MTA) approved by Office Of Research and Economic Development▪ The undersigned acknowledges compliance by the principal investigator with this policy. See <https://ored.rutgers.edu/corporate-contracts/downloads>
